

UNIVERSITY OF MINNESOTA RETIREES ASSOCIATION (7/1/2020-6/30/2021)

P&A Senate

Liaison Annual Report

by Will Craig

I attended most meeting of both the P&A Senate and its Consultative Committee. The minutes of those organizations document the issues discussed and actions taken.

I also submitted an article to their newsletter. That newsletter consists of very short articles, linking to a website or an author blog for more information. My article was about UMRA's PDGR program – Professional Development Grant Program for retirees. Nearly one-third of the grants have gone to P&A retirees.

Impact of UMRA's Professional Development Grants for Retirees Program. April 2021 Newsletter. Points to UMRA's JOIE journal article of the same name.
