

UNIVERSITY OF MINNESOTA RETIREES ASSOCIATION (7/1/2021-6/30/2022)

P&A Senate

Liaison Annual Report

by Will Craig

I attended most meetings of both the P&A Senate and its Consultative Committee. The minutes of those organizations document the issues discussed and actions taken. The P&A Senate meeting minutes and resolutions are filed with UMN Digital Conservancy Archive. In addition, the P&A Consultative Committee files an [annual report](#) with the Board of Regents. Those reports appear each year in the June minutes of the Regents.

The past year I played a small role in helping chair Scott Creer develop a document highlighting the roles P&A employees have on the University of Minnesota. I was able to draw the work that UMRA did in preparing its Fact Sheet. Both documents are impressive ways to introduce our organizations to others. Below are some elements of his effort.

- 30% of the instructional and clinical credits are delivered by P&A employees each semester, systemwide.
- Over \$110 million of sponsored projects were led by P&A employees each year in FY21 and FY22.
- 20% of all sponsored projects list P&A employees as key personnel.
- 22% of all University scholarly publications list a P&A employees as the main or contributing author.
